sulfur amino acid biosynthetic process		amino acid biosynthetic process			inorganic ion transmembrane transport		monoatomic ion transmembrane transport	
		organic acid metabolic process			inorganic ion transmembrane		transport	protein folding
					monoatomic ion transport			
							transmembrane transport	
	d biosynthetic process							
		,						
small molecule biosynthetic process	aspartate family amino acid metabolic process		organonitrogen compound metabolic process	macromolecule modification	generation of precursor metabolites and energy	sulfur compound metabolic process		catabolic process
					generation of precursor metabolites and energy			
amino acid metabolic process	protein metabolic process		protein phosphorylation	phosphorylation	phosphorus metabolic process	small molecule metabolic process		energy derivation by oxidation of organic compounds
